Industrial Floor Marking Tapes and Shapes

Shop SafetyTac® at creativesafetysupply.com/safetytac

SAFETYTAC®

by Creative Safety Supply

**The toughest floor marking tapes (and shapes) on the planet.
Resistant to forklifts, foot traffic, vehicles, chemicals and more.**

SafetyTac® Industrial Floor Marking Tapes hold up under the tough conditions of industrial workplaces. They can be applied quickly with little downtime. They're versatile and serve many functions including providing traffic control, hazard alerts, and boundaries for workspaces and storage areas.

SAFETYTAC®

SafetyTac® 2.0

Virtually indestructible floor marking tape featuring ARMOR Technology™.

- DURABILITY ●●●●●●
- ADHESIVE ●●●●●●
- RIGIDITY ●●●●●●
- THICKNESS ●●●●○○

✓ UNBEATABLE PERFORMANCE

SafetyTac® 2.0 sets the new standard for floor tape durability. Other floor tapes just can't compare.

✓ ARMOR TECHNOLOGY™

Specially engineered dense, flexible material that's impact resistant and virtually indestructible.

✓ SNAG-FREE

This tape has a low profile design for snag-free transitions for carts and pallets.

| | 2" x 50' | 4" x 50' |
|--------|-----------------|-----------------|
| Yellow | SA201 | SA401 |
| White | SA202 | SA402 |
| Black | SA203 | SA403 |
| Red | SA204 | SA404 |
| Green | SA205 | SA405 |
| Orange | SA206 | SA406 |
| Blue | SA207 | SA407 |
| | \$100.00 | \$140.00 |

SafetyTac® 2.0 is designed with ARMOR Technology™ to withstand the toughest industrial conditions. The denser material used in SafetyTac® 2.0 allows it to hold up to intense traffic, and the tape has advanced pivot resistance so forklifts and other vehicles can turn directly on the tape without causing damage. The unique design of this tape allows carts and other small-wheeled equipment to pass over the lines without snagging. Like standard SafetyTac® tape, SafetyTac® 2.0 is also resistant to wet conditions and chemical spills.

| | |
|-------------|---|
| Material | ARMOR Technology™ PVC composite |
| Thickness | 70 mil (0.070") |
| Adhesive | Reinforced rubber/cloth |
| Resistance | Industrial equipment, cars and trucks, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals |
| Application | Hand or optional applicator |
| Warranty | 2 year limited |

SafetyTac® 2.0 will hold up under the toughest conditions, including dirty, oily and wet work environments like auto shops.

SAFETYTAC®

SafetyTac®

This durable floor marking tape can handle your facility's high traffic levels and tough conditions.

- DURABILITY ●●●●○
- ADHESIVE ●●●●●
- RIGIDITY ●●●●○
- THICKNESS ●●●○○

✓ INDUSTRIAL STRENGTH

Holds up to forklifts, pallet jacks, floor scrubbers, and trucks. Resists water and most chemicals.

✓ FORKLIFT RESISTANT

Pallets, carts, forklifts, and heavy traffic go right over this resilient floor tape.

SafetyTac® floor marking tape is designed to withstand the tough conditions of an industrial workplace. SafetyTac®'s resilient material holds up to traffic and spills, and its reinforced rubber-based adhesive keeps it in place, so it will get the job done for a long time. SafetyTac®'s unique design prevents the tape from getting caught on wheels or pallets. That means vehicles can easily slide over the tape without causing damage. SafetyTac® also has a low profile, so it won't make walking surfaces uneven. No need to worry about pedestrians tripping.

| | |
|-------------|---|
| Material | PVC composite |
| Thickness | 35 mil (0.035") |

Use SafetyTac® to create perfect aisles, pathways and boundaries that last for years in tough conditions.

SAFETYTAC®

SafetyTac® Lean

This floor marking tape has the lowest profile of our tapes, so you'll have smooth walking surfaces.

- DURABILITY ●●●●○
- ADHESIVE ●●●●○
- RIGIDITY ●●○○○
- THICKNESS ●●○○○

✓ ULTRA-LOW PROFILE

An ultra-low profile allows you to create smooth floor markings. It's so thin, you'll barely notice it's there.

✓ INDUSTRIAL STRENGTH

Holds up to forklifts, pallet jacks, floor scrubbers, and trucks. Resists water and most chemicals.

SafetyTac® Lean floor marking tape is made with the same durable material as standard SafetyTac®, but it has an ultra-low profile that's 40% thinner than most other industrial floor marking tapes. This means vehicles will have no problem moving over it and walking surfaces will be even. SafetyTac® Lean was designed like SafetyTac®, so wheels and pallets won't get caught on it. It's also resistant to water and chemicals. This tape is perfect for facilities with moderate foot and vehicle traffic.

| | | 2" x 100' | 4" x 100' |
|--------|--|----------------|-----------------|
| Yellow | | SL201 | SL401 |
| White | | SL202 | SL402 |

| Green | | SL205 | SL405 |
| Orange | | SL206 | SL406 |
| Blue | | SL207 | SL407 |
| | | \$85.00 | \$125.00 |

| | |
|-------------|---|
| Material | PVC composite |
| Thickness | 17 mil (0.017") |
| Adhesive | Reinforced clear acrylic |
| Resistance | Moderate industrial and vehicle traffic, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals |
| Application | Hand or optional applicator |
| Warranty | 1 year limited |

SafetyTac® Lean is so thin, it's not even as thick as a credit card.

SAFETYTAC®

SafetyTac® Hazard

This striped tape draws attention to dangerous areas and holds up to tough industrial conditions.

- DURABILITY ●●●●○
- ADHESIVE ●●●●●
- RIGIDITY ●●●○○
- THICKNESS ●●●○○

✓ HAZARD-STRIPED PATTERN

Hazard-striped pattern provides a noticeable visual cue to identify areas that require extra caution or attention.

✓ INDUSTRIAL STRENGTH

Holds up to forklifts, pallet jacks, floor scrubbers, and trucks. Resists water and most chemicals.

| | 2" x 100' | 3" x 100' | 4" x 100' | 6" x 100' |
|--|-----------------|-----------------|-----------------|-----------------|
| Black/Yellow  | STH270 | STH370 | STH470 | STH670 |
| Red/White  | STH271 | STH371 | STH471 | STH671 |
| Black/White  | STH272 | STH372 | STH472 | STH672 |
| Green/White  | STH273 | STH373 | STH473 | STH673 |
| | \$149.00 | \$169.00 | \$189.00 | \$229.00 |

SafetyTac® Hazard floor marking tape is designed to draw attention to dangerous areas in the workplace, while also holding up to the tough conditions of an industrial facility. The two-tone stripe pattern comes in 4 color options so you can highlight different types of hazards. SafetyTac® Hazard's durable material can withstand traffic and spills, and its reinforced rubber-based adhesive keeps it in place, so you can count on it getting the job done for a long time. SafetyTac® Hazard's design allows wheels and pallets to slide over it without snagging, meaning the tape won't get damaged either.

| | |
|-------------|---|
| Material | Hazard-striped PVC composite |
| Thickness | 35 mil (0.035") |
| Adhesive | Reinforced rubber/cloth |
| Resistance | Industrial equipment, cars and trucks, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals |
| Application | Hand or optional applicator |
| Warranty | 1 year limited |

Use SafetyTac® Hazard to draw attention to dangerous areas that could harm or kill employees.

SAFETYTAC®

SafetyTac® Lean Hazard

This tape combines a low profile with hazard striping to call attention to danger anywhere in your facility.

- DURABILITY ●●●●○
- ADHESIVE ●●●●○
- RIGIDITY ●○○○○
- THICKNESS ●○○○○

✓ HAZARD-STRIPED PATTERN

Hazard-striped pattern provides a noticeable visual cue to identify areas that require extra caution or attention.

✓ ULTRA-LOW PROFILE

An ultra-low profile allows you to create smooth floor markings. It's so thin, you'll barely notice it's there.

| | | 2" x 100' | 3" x 100' | 4" x 100' |
|--------------|--|----------------|-----------------|-----------------|
| Black/Yellow | | SLH270 | SLH370 | SLH470 |
| Red/White | | SLH271 | SLH371 | SLH471 |
| Black/White | | SLH272 | SLH372 | SLH472 |
| Green/White | | SLH273 | SLH373 | SLH473 |
| | | \$85.00 | \$105.00 | \$125.00 |

SafetyTac® Lean Hazard combines the eye-catching pattern of hazard tape with the ultra-low profile of SafetyTac® Lean. SafetyTac® Lean Hazard is available in 3 striped color combinations that allow you to draw attention to dangerous areas in your workplace. Like SafetyTac® Lean, this tape sits smoothly on your floors. It's also resistant to water and chemicals. Choose SafetyTac® Lean Hazard for moderate-traffic areas where you also need hazard alerts.

| | |
|-------------|---|
| Material | Hazard-striped PVC composite |
| Thickness | 15 mil (0.015") |
| Adhesive | Reinforced clear acrylic |
| Resistance | Moderate industrial and vehicle traffic, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals |
| Application | Hand or optional applicator |
| Warranty | 1 year limited |

At a mere 0.015" thick, SafetyTac® Lean Hazard is the thinnest industrial-grade floor tape on the market.

SafetyTac® GRIP

The strength of SafetyTac® plus anti-slip properties.

SafetyTac® GRIP was created to outlast all other traction and non-slip tapes by combining SafetyTac®'s known impact resistance with an anti-slip surface and an aggressive adhesive. SafetyTac® GRIP comes in 5 colors and provides maximum durability and slip resistance, even in heavy traffic areas.

- Slip-resistant surface
- Resistant to chemicals
- Cleans easily
- Includes low-level reflective properties
- Aggressive adhesive system bonds to a wide variety of surfaces
- 1-year warranty
